Hi Dr. Nicoletti,

I hope you are doing well.

The EPA is planning for a few training sessions for employees and supervisors. Our current plans are for one 3 hour supervisor class and two 2 hour employee classes. What is your current rate per hour for training?

Also, what is your current rate per hour for a consultation? (I want to ensure we have sufficient funds set aside in case we need to consult with you about an issue.)

What month would work better with your schedule for the training - August or September?

Would you prefer to conduct all classes in one day or does that matter to you? We would prefer to have the two employee classes during different weeks to ensure the maximum number of participants.

Thanks,

Michelle
